

Why would you choose a Roller Garage Door?

- A Roller Door is the most affordable type of garage door
- Can be made to suit most garage door openings
- Reduced noise and friction during operation resulting in lower maintenance
- Made from durable Colorbond® steel

Why would you choose a Sectional Garage Door?

- A lightweight stylish garage door option
- Four Sectional Door styles to choose from
- Window panels are available to let light into the garage
- Suits all styles of homes
- Available in a range of colours and finishes
- Sectional Doors are an increasingly popular garage door choice

Gliderol Roller Door

Continuous Sheet Curtain Roller Door

The Gliderol designed Roller Garage Door can be made to suit most garage openings, adding style and character to any home.

Designed and manufactured in Australia, the Gliderol Roller Door is specifically made for Australian conditions from durable Colorbond® steel. The revolutionary Polyglide™ allows effortless operation with minimal noise and friction, while the specifically designed reinforced bottom rail protects your home against intruders.

Strength and safety guaranteed, every Gliderol door is made to suit your specific garage door requirements. Gliderol offers a free measure and quote and ongoing after sales support in all major states and territories.

Key Features and Benefits

- Available in a wide range of colours
- Strength and quality in design
- Hard-wearing and high performance
- Minimal noise and friction
- Durable weather seal
- Reinforced bottom rail for added security
